# Modernizing Service Delivery – A Digital Journey

Leading

*In 4 years we will:*

create a modernized  
workplace

-----  
modernize service  
delivery

Through our vision - Community for Life and our mission - Working with You, the Region of Peel is striving to provide services that are user-friendly and accessible.

By leveraging technology we ensure ease of access to our services to meet the needs of our residents and business partners.

# Procurement Best Practices

## Business Process Efficiencies

- An eProcurement Platform will enable doing business with the Region easier:
  - Automation- notifications, preview of documents of documents, tracking of your bids, form and pricing sheet
  - Geographically expanding opportunities
  - Improved accessibility

## Welcome to the Region of Peel Bid Opportunities Website

[Bids Homepage](#) [Create Account](#) [Login](#)

This site allows potential Bidders to create a Bidding System Vendor account. Bidders select commodity codes for goods and services and the Bidding System will notify the Vendor by email of Bid opportunities matching their commodity code selection.

Public tenders, bids and request for proposals are posted on this website.

Bidders are solely responsible for ensuring their Vendor account information is kept current.

For step by step instructions on how to create an Account please refer to the [Vendor Guide](#)

### Purchasing Support:

If you have questions about a specific bid opportunity please direct your inquiry to the contact person listed in the bid document.

### Technical Support:

If you encounter technical issues, please contact [support@bidsandtenders.ca](mailto:support@bidsandtenders.ca)

The following is a list of our current online bid opportunities. Please refer to the Status column in the list to determine if the bid is open, closed or awarded.
