# Accessibility for Ontarians with Disabilities Act – Tool Kit

The Government of Ontario has created an accessibility tool box to help employers meet their new compliance obligations under the *Accessibility for Ontarians with Disabilities Act*. For example, the compliance tool for small employers explains the law, the compliance obligations, and provides access to further tools to help meet the requirements.

For more information on the compliance requirements, please click on the following link:  
<https://www.ontario.ca/page/accessibility-laws>

To access the Accessibility Toolbox, please click on the following link:
